

COMING IN **2011**

THE
FISCHOFF
EDUCATOR AWARD

The Fischhoff National Chamber Music Association is delighted to announce the launching of the Fischhoff Educator Award. This award will recognize the educational outreach work of Fischhoff Competition alumni who have demonstrated outstanding and imaginative programming for children and youth in the United States.

The Fischhoff Educator Award will honor America's finest emerging chamber ensembles or those who have established careers in chamber music, and are proving their ability to successfully build a career in both music performance and outreach education.

The prize includes a coveted endorsement from the Fischhoff National Chamber Music Association, a cash award, and a residency week as part of Fischhoff's award-winning Arts-in-Education Residency. The residency week will take place during Fall 2011.

Entry Deadline
JUNE 16, 2010
